Ok Steve. The new table is on its way. I believe it is going to Daron's attention.

Hi Gina,

Go ahead and submit a revised Table 7-1. As Covol is only monitoring for the first year (until reclamation), putting the data in the MRP will work fine.

Daron and Steve,

We received the analytical results from the final groundwater sample that we were required to collect and analyze. Do you want me to submit a revised Table 7-1 with a C-1 and C-2 form? Richard White suggested that we submit it, but I wanted to check with you two first. Let me know.

Thank you,  
Gina
